Student Achievements

Our Institution has always been an inspiring pillar to the students in encouraging them to participate and exhibit their talents in various intra and inter college technical and cultural events. Evidently many students of our college have participated and won numerous events organized by various other colleges. Our students have rendered their dedicated services in various Clubs and Organizations. Our students have actively participated in various sports events and have brought laurels to our college by winning in many sports events.

Value added Courses

In this competitive world, we have the challenge of coping up with the potential changes in each and every field. The ultimate way to meet these needs is to supplement the curriculum with additional courses that are required to the student community to prepare them to face the world. In this context, our College offers 90 Value Added Courses for the students studying in various programmes to enhance their skill and to prepare them for employability in the Industries.

MoUs

The college has signed 38 MoUs with many established organizations for the benefit of the students, that include MoUs signed with AIMST University, Malaysia, Asia Pacific University, Malaysia, Berjaya TVET College, Malaysia, TCS, UTL, and Maya Academy. Through these MoUs, many activities such as Student and Faculty exchange programmes, workshops, Hands on Training, Industries were conducted for the students in acquiring additional skills.

Library

During this year, new books and journals were added in the library to the tune of Rs.7,46,693.
