Date: 12.12.2020

Modalities of conducting Regular and arrear examinations
(for all UG & PG programmes, December, 2020)

We have planned to conduct III/V Semester theory examinations for regular students of 2018 and 2019 batch for all UG and PG programmes. Already sent the exam time table and mode of examination to all the departments and also published in our college website (www.hicas.ac.in) on 07.12.2020.

Bharathiar University has sent the guidelines for conducting arrear examinations recently. As per the guideline, candidates who have arrears in any of the previous semesters will be permitted to write the examinations provided they have already paid the examination fees. If not, ask them to pay the examination fee immediately.

Further, those who have been awarded minimum pass marks (40marks) for the arrear papers (for 2016 and 2017 batch UG & 2016,2017 and 2018 PG Passed out candidates & 2018, 2019 current candidates), are asked to take up the examinations provided they have already paid the examination fees. If not, ask them to pay the examination fee immediately.

For non-conduct of practical in the current III/V semester UG & PG practical examinations/Industrial report papers may be shifted to along with the even semester practical. But for the project viva-voce examinations in any of the present semesters, the online examinations may be conducted by the departments.

The mode of arrear examinations will be in online only. Ask the students to follow our college website (www.hicas.ac.in) for further updation.

The eligible list of arrear candidates are getting ready. The HODs are asked to inform the arrear examination schedule to all the eligible candidates to avail this chance. If they miss the chance, they can clear the papers only in the next semester examination.
